

Epilepsy, Fits

Convulsions, or Spasms and St. Vitus' Dance are Nervous Diseases. Most cases can be cured by strengthening and building up the nervous system. To do this a nerve medicine is needed. Dr. Miles' Nerve will be found efficacious and satisfactory. It has cured many cases of these diseases and we believe it will cure you. We can give you names of many who have been cured through its use. Write for advice.

"My son John had epilepsy for years, and after having him treated by specialists for over 2 years he still continued to have spells. I had almost given up in despair, but knowing the virtue of Dr. Miles' Anti-Pain Pills for sick headache, I concluded to try the Nerve. During June, 1906, I gave him a teaspoonful three times a day, then in July I gave it as directed, and I could see that he was improving, and he has not had a spell since August 28, 1906, and has taken no medicine since Jan.-07. I am writing the case just as it is hoping it will induce others to try it."

STATE FAIR PROGRAM

Special Prizes.—Superintendents of Departments.

The very handsome sum of \$25,000, supplemented by special prizes amounting to \$5,000 will be offered in premiums at the sixth annual Kentucky State Fair to be held on its new grounds and in its new home the week of Sept. 14 to 19 inclusive. In nearly every department the prize money has been materially increased over past years, and as a consequence the most attractive and liberal classification ever presented by a fair south of the Ohio river is offered to prospective exhibitors. In the horse department the prizes are 30 per cent greater and in the mule and jack departments 25 per cent in excess of last year's list, and still a more liberal increase in the poultry and woman's departments.

Among the special prizes listed are two handsome trophies presented by the Louisville Automobile Club, one for the best American carriage animal to be judged by the standard of classification provided by the United States Department of Agriculture governing the exhibit of carriage horses at the various State Fairs and Expositions of the country, and one for the best pair of mules owned by a Kentucky exhibitor. The latter in addition to its value and attractiveness is something in the way of a novelty, in that it is offered by an automobile organization for an animal who the world knows to be its strongest competitor in trade. Other specials are the Highland Home Cup, valued at \$100, offered by Gay Bros., of Pisgah, Ky., for the best and finest saddle-bred foal of 1908; the Montgomery Chief Special, offered by Ball Bros., Versailles, Ky., for the finest and best stallion, mare or gelding, any age, by Montgomery Chief; a trophy offered by the American Saddle Horse Breeders' association for the best registered stallion or mare not over three years of age and to be shown in hand; a cup by Powhatan Stock Farm for the finest stallion, mare or gelding; a \$50 cup by Smyser Bros., of Lyndon, Ky., for roadster championship, and a trophy by John M. Sharp of Louisville for the light harness championship; the Dr. McChord cup given by W. P. Hayes of Bloomfield, Ky., for senior herd of jack stock, and American Jack Breeders' Association Special for junior herd of jack stock; the lump sum of \$500, donated by the American Shorthorn Cattle Breeders' Association for prizes for Shorthorn cattle, and a like amount by the American Hereford Association for prizes for the Hereford breed; \$125 offered by the Louisville Tobacco Warehouse Company for special prizes for tobacco; and a grand silver loving cup presented by the American Berkshire Swine Association for the best young herd of Berkshires exhibited by a Kentucky breeder; and numerous specials for farm products offered by the Hon. M. C. Rankin, State Commissioner of Agriculture.

Superintendents of Departments at the Kentucky State Fair.

The most competent men available have been appointed superintendents of the various departments. R. H. Lillard of Lawrenceburg has been chosen superintendent for the Horse Department; William Simmons of Shepherdsville, for Mules; John H. Good of Louisville, with R. H. Young, Charles A. Hess and W. C. Cawthon as assistants, for Poultry; C. H. Thomas and Z. T. McCabe for Dogs; Selby H. Sale, with William H. Vetter as assistant, for Vegetables and Melons; H. C. Lovelace of Boston, with George D. Karsner of Lexington as assistant, for Field Seed and Grain; H. M. Froman of Ghent, Ky., for Tobacco; M. F. Johnson of Buechel, Horticulture; R. H. Tacke of Lexington, Plants and Flowers; Miss Evelyn Porter of Louisville, with Miss Eva McGrow and Miss Alice Porter as assistants, for Woman's Department; G. P. Rogers of Smithland, and B. W. Neal of Versailles as assistant, for Farm Implements and Machinery; Harry L. Smyser of Lyndon, for Speed Department, and Prof. J. J. Hooper of Lexington for Students' Judging Contest.

The Kentucky State Fair management has arranged a free amusement program which alone is worth the price of admission.

KENTUCKY STATE FAIR RACES.

Horse racing, always an attraction at a State Fair, and more especially at an exhibition held under Southern skies, will be featured more than at any previous State Fair. The new half-mile track, now in process of construction, when completed will be one of the fastest half-mile courses in the country, and there is every indication for a first-class harness race meeting this fall. Four stake, five purse, and three gentlemen's road races have been announced; in addition to these there will be two running races each day, so the Kentuckian who thinks that his day's visit at a fair is incomplete without seeing a first-class horse race will not be disappointed at this year's State Fair. Among the early closing events are the Kentucky Breeders' Association stake for 2:20 trotters, the Louisville Retail Merchants' Association stake for 2:30 trotters, and the Louisville Commercial Club stake for 2:18 pacers. Stake entries closed July 14th; purse entries close Sept. 7th, and entries for the cup races at 12 o'clock the day before the race.

The stake races will be contested on the three in five heat plan, with a five-heat limit, and the purse races on the two in three heat plan. It is the ultimate intention of the State Fair management to build a full mile track encircling the present half-mile course, which, if the hopes of those in charge of the racing program are realized, will compare favorably with the best State Fair mile tracks in the country, and Louisville will doubtless become one of the most popular training grounds in the country.

SPECIAL NIGHTS AT THE KENTUCKY STATE FAIR.

J. V. Beckman, manager of the Retail Merchants' Association of Louisville, is general chairman of the Special Nights Committee, and has been busily engaged for several weeks in arranging the most attractive night programs possible.

Monday night will be School Children's Night. Prof. E. H. Mark, superintendent of the Louisville public schools, is chairman of the committee in charge for that night.

Tuesday will be German-American Night, with Mr. Louis Seelbach in charge; Wednesday, Labor Night, John Young, president of the Federation of Labor, chairman; Thursday, Military Night, Col. W. B. Haldeman, commander of the First Kentucky regiment, chairman; Friday, Irish-American Night, Thomas McCabe, chairman; Saturday, Farewell Night, W. A. Robinson, chairman.

The show rings on Saturday will be especially interesting on account of the various horse championships being awarded that day.

MACHINERY EXHIBITS AT THE STATE FAIR.

An unusually large exhibit of farm implements and machinery is in prospect. Owing to the incompleteness of the State Fair the exhibitors of this department do not share the same advantages afforded them by some of the older institutions in the way of large machinery halls, but every other facility and accommodation will be at their disposal. Commodious space will be assigned to this department, and already a large number of applications are on file, including manufacturers of engines, pumps, stock scales, fencings, mills, road machines, vehicles, harvesting machines, haying machines, planters, plows, and every utensil used by the farmer. The farmer who desires to be instructed in the use of better methods and better machinery will have a great object lesson before him at this fair.

COLLIE DOGS AT THE STATE FAIR

The collie dog exhibit at the Kentucky State Fair promises to be a greater attraction than ever before. A new departure, one entirely original, and the first ever held in this section will be a sheep trial given by an expert, which will show the usefulness of the collie to the farmer. A creditable show of this nature will appeal to every collie fancier, as four points are to be gained by owners toward championship medal by American Kennel Club. It is expected that this year's show will bring out 150 collies, including many famous Eastern dogs. The sheep trial will be started by expert Eastern dogs. Any farmer in the state desiring to train up his dogs along this line and can compete, will be eligible.
